## Organisational Experience

**Student Council Junior High School - Surabaya, Jawa Timur, Indonesia.** Mar 2018 - Mar 2019

Faith and Devotion Development Section

OSIS, or Intra-School Student Organization, is an official organization whose members are students in secondary schools (SMP and SMA) in Indonesia. OSIS was formed to develop students' interests, talents and skills in various areas such as leadership, responsibility, communication and cooperation

- The Piety Sector, or the Piety Sector, is one of the areas within the OSIS that focuses on developing spiritual, moral and religious values ☑☑among students. This Secretariat aims to increase students' faith and piety through activities that support understanding of religion and the application of spiritual values ☑☑in everyday life.

**Dallasmania Supporters - Surabaya, Jawa Timur, Indonesia.** Oct 2022 - Oct 2023

Head of Division Percussion

A supporter organization at SMA Negeri 18 Surabaya, not only exists to support school extracurricular activities but also plays a role in social activities such as sharing food with underprivileged people. Here the mentality is also trained on how to manage many people and is required to always be creative every year

- The percussion division is tasked and responsible for sounding instruments and repairing percussion when it is damaged.

**Centurion - Surabaya, Jawa Timur, Indonesia.** Apr 2024 - Present

Staff of Field Divison

An organization supporting computer engineering students at the Sepuluh Nopember Institute of Technology which plays a role in everything related to non-formal activities of computer engineering students such as parades, social and humanitarian activities.

- The field division is in charge and responsible for everything that happens on site as well as keeping all its computer engineering students safe and solid.
